

OFA Health Care Forum – Health Care Reform 101

In March 2010, history was made when President Obama signed H.R. 3590 -- Patient Protection and Affordable Care Act into law. Yes, health care reform is now a reality.

With this in mind, Organizing for America (OFA) has embarked on a program to educate the public about the health care reform bill. As part of this program, OFA is pleased to be hosting the OFA Health Care Forum -- Health Care Reform 101 event on Tuesday June 8, 2010 in Nacogdoches, Texas.

Our featured speaker will be Anne Dunkelberg, the Associate Director of the Center for Public Policy Priorities (CPPP) in Austin, Texas. Ms. Dunkelberg is one of Texas' leading experts with respect to policy and budgeting issues relating to health care access. Prior to joining CPPP, she served as Program Director for Acute Care in the Texas Medicaid Director's Office. In addition, Ms. Dunkelberg spent six years with the Texas Research League, where she authored numerous reports on Texas health and human services issues and tracked state health and human services budget issues. She earned dual degrees from The University of Texas at Austin—a Bachelor of Arts in 1979 and a Master of Public Affairs from the LBJ School of Public Affairs in 1988.
